For the attention of all
former DAAD Scholarship holders
in New Zealand

18 November 2009

DAAD Alumni Meeting in Auckland, 20-21 March 2010

INVITATION

Dear DAAD Alumni in New Zealand,

The German Academic Exchange Service regularly organizes meetings for its former scholarship holders throughout the world.

Germany is one of New Zealand's most significant partners in the field of research, science and technology, with over 100 operational bilateral arrangements, many of them involving DAAD Alumni.

Our intention is to maintain, renew, or intensify professional and personal ties in order to create a valuable worldwide network.

Next year, a conference will take place on **20-21 March in Auckland**, focusing on the subject of

“Bridging the Distance – New Zealand and Germany in Dialogue”

You are cordially invited to attend this conference and participate in the panel discussions as guests of the DAAD.

Please find attached for your information a preliminary programme and a registration form. If you are able to attend, please return the registration form to Dr. Yannick Muellender in Auckland **by 15 December 2009**.

I am very much looking forward to meeting you all in Auckland.

Yours sincerely

Dr. Christian Bode
