Encounter Europe – Visit Germany: A DAAD Seminar for Students from Australia and New Zealand at the European Academy Otzenhausen

An introduction to the political, economic and environmental issues of European integration

for advanced Australian and New Zealand students

from

5 – 18 December 2010

In co-operation with the ASKO EUROPA-STIFTUNG (AES) and other renowned partners in Germany and Australia, the German Academic Exchange Service (DAAD) offers scholarships for a two-week course dealing with the issue of the European Union in a broader sense. Two weeks, full of exciting opportunities for students - in the fields of law, politics, international relations, European studies or similar subjects - wanting to improve their understanding of contemporary European affairs and legislative regulations, organised by the European Academy Otzenhausen, the University of New England and the DAAD.

The course is open to all Australian and New Zealand undergraduates and graduates. The course will be held in English. The programme is comprised of a course on European affairs and study trips to Saarbruecken (university, city) and Trier, to Luxembourg (European Court of Justice, city), to Strasbourg (European Parliament, European Court of Human Rights in Strasbourg, city with Christmas market), and to Germany's former capital Bonn (visiting the DAAD).

The costs of the program, accommodation at the European Academy Otzenhausen (www.eao-otzenhausen.de), all meals and all excursions are paid for by the ASKO-EUROPE FOUNDATION and the Centre international de formation européenne (CIFE). Medical insurance for the time of the programme (not for any private extensions) will be paid for by the EAO. You must organise and pay for your own transport to Germany and back and whatever pocket money you might need. The DAAD might assist to the costs of your flight with a small contribution.
